LIGHTING | ART | DESIGN

The mission of the CENTURY design team is to transform global inspirations into breathtaking collections of competitively priced distinctive and unique home decorative products. This includes table lamps, floor lamps, ceiling fixtures, wall art and accent tables that make powerful style and fashion forward statements. Our vision is to create products that are the perfect fusion of innovation, craftsmanship and superb design. These elements are apparent in all Century Home collections and have made us a one stop shopping resource for luxury LIGHTING, FIXTURES, OCCASIONAL FURNITURE & ART.

Century design is inspired by history, great foreign cultures, exotic materials and finishes as well as the particular talents of superb artisans. We use interesting and mixed materials including marble, ceramics, crystal, mixed media, glass and hand painted canvas art!

Century Industries, with head office located in Montreal, Canada was formed in 1945 and throughout that time they have been manufacturing and importing exquisite home decorative products. Century also has a Custom manufacturing operation in its Montreal factory to manufacture custom made items for retail stores, hotels and hospitality!

If Interior design is the narrative of the home, we are committed to providing the most exquisite products and details to tell the story!
